

# La Paz, Mexico

Long famous for the BIG STUFF, La Paz is full of the critters you want to see: mantas, hammerhead sharks, morays, lots of big fish, sea lions, as well as the occasional whale! Plus several shipwrecks loaded with fish—there's lots to see!

Join us for a trip to remember! Dive sea mounts and pinnacles, shipwrecks, have close encounters with Sea Lions, watch bonito feed, get buzzed by a hammerhead shark, pet a porcupine fish and much more!

We're staying at the *La Concha*, one of the best dive resorts in the La Paz region, with fast comfortable boats. Nitrox and oxygen fills available on site. Heck, they even have Sofno-lime at the resort! Lots of diving, and a nice resort. **Lets go!** A great trip at a great price!
